We would like to hear from you!!!

Dear PET user,

Campro Scientific GmbH is a research-oriented company specialized in supporting the needs of the medical, chemical and physical research community with an abundant variety of specialty chemicals, radiochemicals and stable isotope labeled compounds.

Since 1998, Campro Scientific is a reliable supplier of the European PET Centers with high quality, highly enriched Water-<sup>18</sup>O for production of Flour 18/FDG.

We would be honoured if you would allow us to send you an offer, therefore, please inform us about your:

Short term needs	:	g
Yearly Water- <sup>18</sup> O consumption	:	g / year

For a better understanding of your current PET operations and Water-<sup>18</sup>O usage, we would also like to ask you to fill out the short questionnaire below:

Institute	:	
Postal Address	:	
Zipcode / City	:
